

The background of the slide is a reproduction of the famous Japanese woodblock print 'The Great Wave off Kanagawa' by Katsushika Hokusai. It depicts a massive, curling blue wave with white foam, about to crash over three small fishing boats. Mount Fuji is visible in the distance under a pale sky. In the top left corner, there is a small rectangular label with Japanese text: '富嶽三十六景' (Thirty-six Views of Mount Fuji), '神奈川沖' (Off Kanagawa), and '波之大' (Great Wave).
